This was the first time I'd tasted his male flesh, and I liked the flavor. I could hardly wait for the cream inside!

**That long cock of his felt  
just as good in my pussy  
as it had in my mouth.  
Any hole I had was open  
to this guy!**

He'd always admired my perky breasts, and now they were there naked, aching for his touch, his caress, his kiss, for any thing he wanted of them!

He was getting more and more excited. He grabbed my hips and pumped his cock force fully into my body!

A close-up photograph of a person's buttocks and legs. The person is lying down, and the camera is positioned to capture the lower back, buttocks, and upper thighs. The skin is fair, and there is a tattoo on the right leg. The lighting is soft, and the overall tone is intimate and sensual.

**"I — I'm gonna come!" he gasped.  
I told him to do it. He pumped  
harder into me, faster, more  
frantically. I felt his cock  
throb expectantly!**
